

LIFE GE BOX Control Board

LIFE GE BOX Control Board Box

Features:

LIFE solves in a unique way the many requirements of domestic automation: Gebox and DIGITAL LIFE TECHNOLOGY represent a range of specific solutions for the management of automatic gates, with 230 or 24V SUPPLY, that can be either installed separately or directly integrated to the motor. These versatile "brains" allow a complete adjustment of all the opening/closing functions; more, they also take care of the user safety, interacting with the encoder, supplied with all LIFE motors. All this with the maximum easiness, a fascinating design and an outstanding hardware.

Functionality made to measure

With Gebox, programming the motor functions is extremely simple. In order to make things easy for the operator, the LIFE Gebox Control Board allows you to adjust the functioning parameters through a practical and ergonomic keyboard, integrated by a range of warning lights that indicate the programming state. For example, one can determine an interval between opening and closing, or modulate the electromechanical power, sensitivity of safety devices, automatic, semiautomatic or manual functioning, partial pedestrian opening... and much more. For installations that don't require any particular function, LIFE has thought the two pre-set user modes that make it all, even simpler: once installed, Gebox is immediately ready for use.

Quality at first sight

Rain, frost, direct sunlight... Gebox fears nothing, because it's been developed to LIFE's research for quality. Manufactured with resistant plastic materials, the shell is waterproof and guarantees a perfectly operative working cycle even in the presence of extreme weather conditions, from -20°C up to +70°C. Strong under any circumstance, Gebox is also aesthetically appealing, because LIFE is always updated with the latest trends, not only in technology, but also when it comes to appearance.

Perfect and quick installation

LIFE solves the installer's requirements starting from the project easy phases: the box is already equipped with transformer and batteries, accordingly to the chosen power supply. Five predisposed drills for cable passage have already been configured in the lower part of the box. Moreover, the shell is equipped with specific rotating plastic fillers in order to hide and protect the fixing screws. As well as all LIFE products, GEBOX is equipped with complete and simple assembling instructions: LIFE knows how to improve your life.

Warranty

Warranty periods are as follows:

- All remotes and receivers have 3 months warranty

- Garage door and gate motors have 12 months warranty
- All other products have 6 months warranty

If you have a problem with the product, please contact us through eBay and include the original purchase information (i.e. your name, address, email and purchase receipt number)

Warranty does not include damage caused by normal wear and tear, accidents, misuse, lack of maintenance, neglect, natural disaster, or other external causes; to damage caused by operating the equipment in a manner outside that described in the instructions. The warranty is considered void if the item has been modified, altered or tampered with by a person(s) not authorised by us to provide service (with the exception of standard periodic maintenance). Consumables and accessories such as chains, carry bags, batteries, hoses, grinding discs, belts, cables, wheels, blades, tubs, pads, nets etc. are also not covered once used or for damage caused by general wear and tear.

Until the nature of any fault is determined, the resolution we can offer may vary. To assist with a quick resolution, photos of the damaged part/unit will be required for verification. We will repair or replace, at our discretion, any unit determined to be within the warranty period. Where necessary, the item may need to be returned to repair the fault/issue.

The buyer will be liable for all shipping costs associated with any warranty claim.

All returns for warranty must first be authorised in writing by our Customer Service Team and given a Return Authorisation Number (RAN). We will not accept the return of any item/s without a Return Authorisation Number (RAN).

When a return is authorised, it is the buyer's responsibility to ensure the product is packaged securely to prevent any damage during the return process. Failure to do so may affect the resolution to be offered, which may include repairs, replacement items or store credit at our discretion.

For all warranty claims, the outcome of the inspection should take no longer than 10 business days from the date the item is received by our service department (times may vary).

Warranty claims will not be accepted in cases where the buyer has contributed to the failure, or been misleading in their description of their issues. In these instances, where freight costs were incurred by us to return your item for inspection, reimbursement to us may be required prior to releasing the goods. The item is also to be returned to the buyer at the buyer's expense. Freight cost not to exceed original freight cost. Payment is to be made to us within 7 days of being notified of warranty rejection. Storage fees to apply beyond 7 days at 5% per week of the original product cost until the credit expires. Where money is owed to us for repairs and/or postage, we will be entitled to hold onto the item until payment is made.

Returns/Exchanges

Returns or exchanges must be made within 7 days of the delivery date. After 7 days, any claims of delivery errors or requests for returns or exchanges will not be accepted.

Products may be returned/exchanged provided that the item(s) are returned in an unused, clean, sellable condition with original packaging, subject to our discretion.

If the item has sustained damage in transit, or is not returned as noted above, a revised refund amount may be required.

All returns will be refunded less the delivery cost. All exchanges will incur a return delivery fee.

We reserve the right as final authority on whether the products should be refunded or replaced and make no other warranty and no implied warranties, including any warranty of merchantability or fitness for a particular purpose. Our maximum liability hereunder is limited to the purchase price of the products. In no event shall we be liable for any consequential, indirect, incidental or special damages of any nature arising from the sale of the product.

If you accept these terms and wish to return an item, please send us a message stating your name, order number, the item(s) you wish to return, and the reason for the return. Our Customer Service team will respond to your email and, if applicable, written authorisation for the return will be given. All other relevant information will also be given to you at this time. We will not accept the return of any item(s) without our prior authorisation.
